

LEO DISTRICT 306 D2 AWARDS ATTRIBUTES

Guidelines for Nominating Entries for Leo Multiple Awards 2026

Description of the Document

This document will define available awards and its selection attributes for Leo District 306 D2 for the fiscal year 2025/2026, This is solely based on the Leo Multiple District Award Attributes for the fiscal year 2025/2026.

Objectives of Multiple District Awards

Multiple Awards are to recognize outstanding performances by Leo Clubs, Leo Districts and Leo Club members in various aspects. In addition, the awards program has the following objectives:

- To encourage Leo Clubs and members to perform in humanitarian services and develop their leadership skills.
- To maintain a high motivation level of members which is essential for the sustainability of the movement.
- To create healthy competition to go out of comfort zones.
- To acknowledge consistent commitment, dedication and excellence throughout the year.
- To strengthen collaboration and camaraderie among clubs through shared goals and recognition.
- To benchmark and uphold standards of excellence across all Leo Districts and Clubs in the movement.
- To empower young leaders by celebrating initiative, impact and accountability.

Eligibility for Nominations

- Leo Clubs and members in good standing will be eligible for awards nominations. This applies to the Club, District, Individual and Key awards.
- Leo Districts should adhere to the common guidelines put forward by the Multiple District; however, Districts **may** include additions, which will add value to the report.
- In this scenario, **good standing** is defined as given below:
 - If the sponsoring Lions Club is an active Lions Club in Lions Clubs International (status quo is not inactive) and the Leo Club is an active Leo Club in Lions Clubs International (i.e., international dues are paid by sponsoring the Lions Club to the Lions Clubs International).

AND

- If the Leo Club/Leo Club members have paid the membership due liable to Leo Multiple District 306, (the amount agreed upon the consent of Leo District Presidents) via paying out to the respective Leo District before the deadline. The responsibility of collection of membership dues from Leo Clubs/Leo Club members is with the respective Leo District where Leo District is accountable to Leo Multiple District 306 on payment of membership dues.

Nominations and Selection Process

- Leo District Council recognizes outstanding performances in each category at annual Leo District conferences. District awards are often selected by an independent award panel at the District level.
- The District President nominates District level winners of relevant categories into Leo Multiple awards.
- The awards selection panel of Multiple District go through nominations and selects winners.
- Selection from the awards panel is approved by the Multiple District Leo Chairperson.

District Awards Executive Committee

1. District President - Leo Thameera Dananjaya (Voting)
2. Chief Coordinator - District Contest - Leo Sewwandi Gunasinghe (Voting)
3. District Leo Chairperson - Lion Anura Goonetilleke (Non - Voting)
4. District Vice President – Leo Nomin Premarathna (Voting)
5. Other 4 voting members will be announced by April 2026 depending on the activeness and involvement at district and club events.
6. District Secretary as the secretary to the award committee (non-voting).

IMPORTANT:

- As the MyLion reporting is mandatory to all project awards, clubs are required to include the screenshot proofs in the MyLeo project reports.
- The examples listed in the project categories are just a guide and clubs are encouraged to be creative.
- The decision of the respective committees, whether taken by a majority vote or by a unanimous decision, shall be the final decision in the matters pertaining to the awards and all recognition. Influencing the decisions of the Executive Committee is a reason to disqualify.
- Furthermore, the Multiple District Executive Committee has the authority to alter any guidelines during the year in office, which are deemed necessary for the success and betterment of the Leo Clubs, Leo District Councils or Leoism in general which should be approved with a simple majority during a board meeting.
- The decisions of the respective committees shall stand at any given instance to maintain a true and fair view.

Required Documentation

Districts should submit a duly completed Awards Nomination Form to the Leo Multiple District 306. Relevant activity reports which contain the nominated project reports and other supporting documents shall accompany the nominations.

Submission Deadlines

- Club MyLeo Activity, Projects and Treasurer Reports for each month need to be submitted by the **10th of the following month** and **Quarter Reports to be submitted on the 05th of the following month of each quarter.**
- The **April month's reports** should be submitted by **05th of May 2026** and the **Quarter Report** together with the **Annual Report** to be submitted by **05th May 2026.**

Nominations Deadlines

- The final deadline for award nominations submission from each Club to the Leo District 306 D2 will be on or before **05th of May 2026.**

Summary Awards List

- The Leo District Evaluation program is designed carefully to encourage Leo Club activities aligned to Lions Global Causes framework.

We encourage Leos to integrate key elements of Sustainable Development Goals presented by the United Nations into their projects in order to enhance the project impact.

***Use of the 'Sustainable Development Goals' and 'Lions Global Causes' logo/s can only be utilized for projects which carry relevance and proper scope to suit the outlined specifics under UNSDGs and Lions International.

Minimum Requirements

The following identifies the minimum requirement and attributes of each category and is intended to serve as a basic framework. Leo Clubs are encouraged to implement innovative actions as relevant in addition to the attributes mentioned.

IMPORTANT:

- In the event the awards selection committee finds no nomination, which is satisfactory and relevant enough for an award category, the committee has the right to decide not to award under that category.
- A District **MUST** send **ONLY ONE** nomination as the winner/1st place of any award category.
- An individual project or a joint project can only be reported/nominated for **two different project categories.**

Note:

- Projects focusing on **Sustainability and Impact**, in the long run, will have a higher weight in recognition.
- It is advised to provide bills, invoices and other supporting documents along with the reports. (E.g., Letters of acknowledgement issued by relevant authorities, joined outside organizations or any other third party confirming the project/achieved results)

Award Attributes:

PROJECT AWARDS

1. Best Project for Spotlight on Children

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects conducted to groups under the age of 18.
 - › The project shall include educational, health, safety, or developmental support, such as storytelling sessions, hygiene kit distribution, nutrition awareness, basic health checkups, personal safety education, reading corner setups, or creative activities like drawing and games.
 - › Promoting digital safety for children, with a focus on cyberbullying prevention and managing online addiction.

2. Best Project for Responsible Consumption & Waste Management

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects on restorations and recycling of products for a renewed purpose, which could be sold to create a means of revenue to benefit another individual's livelihood via the sale of such products.
- › Community awareness programs for responsible consumption to minimize wastage and micro waste management/ recycling within homes itself.
- › Programs on proper disposal of e-waste and electronics which contain harmful elements. (E.g. CFL bulbs which contain mercury, electrical equipment etc.)
- › Projects focusing on composting where household organic waste is collected and turned into compost, which can be sold to /used by local gardeners and farmers.
- › E-waste and fast fashion reduction programs by fostering collaboration with eco-entrepreneurs.
- › Leos can partner up with Municipal Council/Environmental organizations in giving out new concepts to minimize waste and also projects focusing on sanitary landfill.

3. Best Project for Nutrition & Food Safety

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Programs on nutrition and awareness (e.g. even topics such as usage of fatty foods/carbonic vegetables)
- › Programs on sanitation and awareness of a healthy lifestyle.
- › Promote nutritional food plans using affordable ingredients.
- › Programs focusing on establishing community gardens to encourage residents to grow their own fresh fruits and vegetables.
- › Provide training on proper food handling, storage, and preparation techniques to prevent foodborne illnesses.
- › Projects specifically aimed at improving maternal and child nutrition.
- › Programs are done to identify the burden of disease from physical, chemical and microbial hazards in food and unhealthy diets, maternal and child malnutrition, overweight and obesity.

4. Best Project for Peace, Religious & Cultural Activities

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects that will promote reconciliation between different religions/cultures/customs and communities to a larger audience to bring attention and better understanding about each other for coexistence.
- › Education programs to overcome language/communication barriers between languages among communities.
- › Programs to promote cultural activities that make it possible to generate bonds of union between members of the same community. To transmit beliefs, customs, and traditions through art, dance, poetry, music, clothing, gastronomy, theatre and literature.
- › Projects providing training in conflict resolution between different religions/cultures/customs and communities, mediation techniques to community members to address and resolve conflicts peacefully.

5. Best Project for Sports & Recreation

- › Need assessment done for projects apart from sports tournaments.
- › MyLion reporting is compulsory.
- › Activities to uplift health, fitness, discipline and unity among citizens.
- › Sport and recreation activities include soccer, basketball, swimming, aerobics, yoga, tennis, dancing, hockey, golf, cycling and mountain biking, running and many others.
- › Initiate programs designed for seniors, such as low-impact aerobics, yoga, and swimming, to improve mobility, health, and social interaction. Fitness programs specifically designed for seniors to promote active aging and social interaction.
- › Distribution of sports equipment, coaching and guidance, and development infrastructure for sport.
- › Projects to enhance community recreational centers equipped with sports facilities, fitness equipment, and recreational spaces.

6. Best Project for Health & Wellbeing

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Programs fall under Lions International Global Causes - Diabetes, Pediatric Cancer and Vision will be awarded separately and might not be considered here.
- › Projects related to Cancer, kidney-related diseases & non-contagious diseases awareness.
- › Any blood donations and medicine distribution shall be done only under the prescription of a doctor.
- › Workshops/awareness sessions entitled for stress reduction, discussions on mental health, gratitude challenges etc. by professionals.
- › Creating different kinds of escape spaces and identifying the requirements.
- › Developing innovative communication systems and creating a platform for voices to be heard.
- › Programs on healthy lifestyle and problem-solving which affects the mental health of youth and different other stakeholders.
- › Organize workshops that provide education and resources on managing chronic diseases such as hypertension, heart disease, and respiratory conditions.
- › Implementing community challenges that promote healthy habits, such as increasing daily water intake, incorporating more fruits and vegetables into meals, and reducing sugar consumption.

- › Campaigns focusing on raising awareness about mental health issues, reducing stigma, and promote available resources for those in need.

7. Best Project for Senior Citizens Development

- › Need assessment required.
- › MyLion reporting is compulsory.
- › The focus of the senior citizen (Groups above the age of 60) program is to enable individuals to continue being an integral part of their community while keeping their dignity and sense of well-being. The goal of these projects is to enrich the lives of senior adults in means of educational programs, self-employment activities and other recreational activities.
- › Programs to encourage families to take care of old parents.
- › Projects focusing on self-employment opportunities such as crafting, gardening and consultancy, encouraging seniors to utilize their skills and generate income.
- › Developing programs that bring together seniors and younger generations for mutual learning and cultural exchange, fostering understanding and respect across age groups.
- › Digital literacy training and introducing tech-assisted care tools.
- › Exceptional this criterion will cover projects done on retirement and pension plan awareness programs and wealth Management programs for age groups below 60.

8. Best Project for Helping Hand to Differently Abled

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Programs to develop facilities for their surroundings, provide enjoyment and enhance the living style of the differently abled.
- › Identifying and conducting individual skill development programs. (Teaching art & crafts, enhancing music skills etc.)
- › Organize projects to change the perception of employers and differently-abled persons themselves regarding job opportunities.
- › Programs identified for special medical treatments for the differently abled. (E.g. Mental health, Physiotherapy, etc.)

- › Awareness programs to make community respect, to avoid discrimination and to welcome differently abled as an integral part of day-to-day life.
- › Develop facilities such as ramps, and accessible restrooms in public buildings and community centers to enhance mobility and independence for differently abled individuals.
- › Organize recreational activities like adaptive sports, inclusive playgrounds, and leisure outings tailored to the needs and abilities of differently abled individuals, providing enjoyment and social engagement.
- › Programs focusing on distributing assistive devices and technologies like wheelchairs, hearing aids, and communication devices to differently abled individuals, enhancing their daily living and independence.

9. Best Project for Public Relations

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects need to be directed at developing strong relationships between the public and our Leo activities via effective communication. Communication among both parties could include branding programs conducted by Leos through projects or events.
- › High promotions, effective marketing tools and a higher number of communities need to be reached in excellent handling of public relationships.
- › Programs to take the visibility of Leo and Lions Clubs in public to build a good rapport. Media, social and online campaigns with a high magnitude/attention might be considered.
- › Use of metrics such as engagement rates, impressions and innovative media platforms are encouraged.

10. Best Project for Fundraiser

- › MyLion reporting is compulsory.
- › Every Club must have conducted at least one fundraiser for the year.
- › Proper accounts & ledgers should be maintained. Net profit from the program should be clearly visible.
- › In the case of a joint project, the net profit share to the Leo Club should be clearly stated.
- › Provide a letter from the other Club joined (e.g. Lions Club) stating profit sharing basis/ fund allocation from the fundraiser.
- › Required to provide bills, invoices and other supporting documents.

- › When a project is planned in this category, only the net profit shall be considered. Net profit is defined as funds raised minus expenses related to the project.
- › Conducting service activities from the funds raised through the Club fundraising is encouraged.

11. Best Project for Quality Education & Literacy

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects concentrated towards enhancing or building an identified quality education need towards an individual or group.
- › Conducting literacy programs for preschoolers, youth and elders and exploring smart classrooms and other updated digitized learning methods will also be considered.
- › Projects could be conducted in skill development, improving literacy, educating or giving an opportunity to enhance an individual/group's lives.
- › Scholarship and education aid programs, guidance for higher education and for vocational training.
- › Programs focusing on creating scholarship schemes to provide financial aid for students from low-income families, enabling them to pursue higher education or vocational training.

12. Best Project for Women Empowerment

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects conducted towards women in society by molding, encouraging, and strengthening them via developing an existing opportunity or platform to perform. (Gender-neutral jobs)
- › Projects focusing on sanitation and improved hygiene practices to promote a healthy lifestyle.
- › Awareness and prevention programs on women abuse, eliminating gender discrimination, equal rights and labor laws to build their career path or lifeline are highly considered as well.
- › Programs to develop self-employment and women entrepreneurship.

13. Best Project for Poverty & Better Life

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects focusing on uplifting the living standards of an individual or a family.
- › Programs for employment, self-employment, micro-finance, and distribution of aid for poverty-hit households or an individual.
- › Counseling services to overcome poor life standards.
- › Projects on setting up centers offering vocational training in high-demand trades, such as plumbing, electrical work, and healthcare, equipping individuals with skills for stable employment.

14. Best Project for Clean Water & Energy Conservation

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Awareness programs on energy conservation, responsible usage of energy sources (e.g. efficient ways of electricity usage).
- › Projects that promote the use of renewable energy sources, such as installing solar panels or wind turbines in community centers, schools, and residential areas.
- › Programs on water pollution, availability of clean water for communities (e.g. drinking water), distribution of water purification equipment and awareness on water purification methods, construction of tube wells.

15. Best Project for Crime & Accident Prevention

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Programs entitled under this category are to be focused on any selected individual/ group in society. (E.g. Road accidents prevention programs among drivers and pedestrians)
- › Crime Awareness and prevention programs could be focusing on abuse and assaults faced by children, men and women in society, physically or mentally while providing them with the legal support they could aid. (E.g. Prevention of cyberbullying, scams, psychological manipulation)

- › Projects providing self-defense training for women, men, and children to empower them with the skills needed to protect themselves against physical assaults and boost their confidence and sense of security.
- › Projects establishing neighborhood watch groups to promote community vigilance, enhance security and foster collaboration with local law enforcement to prevent and reduce crime in residential areas.
- › Accident prevention could also be addressed, and public awareness could be conducted through many broad titled programs.

16. Best Project for Infrastructure Development

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Letter of acknowledgement from the beneficiary communities, schools or any other institute.
- › Infrastructure is the basic physical system of a business or nation. Transportation, communication, sewage, water and electric systems are all examples of infrastructure.
- › Development, refurbishment, and repair of public properties and common properties which are beneficial to communities (e.g. bus halts, repair of classrooms of a school, sign boards, repair of public wells, donating library books after building/assisting to build a library for schools etc.).
- › It is advised to provide a proper budget, and budget approvals along with other financial evidence.

17. Best Project for Research & Development

- › Need assessment required & MyLion reporting is compulsory.
- › Duly filling the contest guideline form in the secretary report
- › Qualitative and Quantitative research are both considered to address a timely need in the community.
- › The research should run for **at least a month**.
- › Leos should take an effort in engaging in primary and secondary research and Leos' involvement should be highlighted to a greater extent. (Note: Questionnaires, and photos of Leo's efforts are needed in the appendices)
- › Important: After the research is conducted, implementing the proposal derived from the project needs to be implemented in a niche/mass sample. The results of the outcome need to be included in the R&D report.
- › Identifying, Publishing, Developing and delivering creative and innovative products/ services to the community.

18. Best Project for Drug Prevention & Rehabilitation

- › Need assessment required
- › MyLion reporting is compulsory.
- › Projects in this category could be focused on two main aspects of the community:
 - › Drug prevention awareness campaigns and projects towards rehabilitation centers and residents.
 - › Focus projects to identify drug addicts and encourage them to undergo rehabilitation for a better life.
 - › Social campaigns to reduce alcohol, cigarette and other dangerous drug consumption.
 - › Campaigns to create awareness of even health effects of drugs.
- › Programs to prevent school students/minors from using drug alternatives. (I.e. consuming syrups, dangerous doses of medical drugs without doctor's advice, drug pills)
- › Projects focusing on developing initiatives aimed at youth, such as Clubs or peer support groups that promote drug-free living and provide positive recreational activities.
- › Leos' contribution is specifically needed if the project is conducted with the support of other organizations.

19. Best Project for Street Animals, Wildlife & Life Below Water

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects on reforestation, protection of forest covers & wildlife.
- › Projects on the protection of limited/restricted species of animals/fishes.
- › Awareness, and prevention programs on under-water pollution (e.g. disposal of plastics into the sea) and under-water cleaning programs targeting schools, communities, and industries.
- › Developing initiatives to protect endangered species by setting up wildlife sanctuaries, breeding programs, or feeding stations.
- › Programs such as fieldtrips, guided bird watching, cleaning, and signboards to create awareness also will be considered.
- › Initiatives to protect street animals through adopting homes, breeding programs, feeding stations, or humane care for street animals.

20. Best Project for Fellowship

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects conducted by Leos primarily to enhance fellowship through uplifting the Leo movement.
- › Programs focusing on building team spirit and unity among the Club, other Clubs, District and Multiple levels are encouraged.
- › Individual Club celebrations, including birthday celebrations will not be considered.

21. Best Project for Betterment of Leoism

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Betterment of Leoism could be reached through developing leaders of service to our nation who will lead ethically and diplomatically. Ethics and Etiquette guidance opportunities in a fun-filled environment could be provided for Leos of Sri Lanka & Maldives.
- › Leadership, skill development, and career guidance programs for Leo Club members.
- › Projects focusing on conducting seminars on professional ethics and social etiquette, integrating these topics into engaging and interactive activities, such as role-playing and situational analysis.
- › Innovative membership development programs. (E.g. team building programs for Club members, innovative Club orientation programs)

22. Most Outstanding Service Project

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Outstanding effort from Leos in a humanitarian project.
- › Correctly identified community need/serve on non-commonly addressed issues.
- › High magnitude of the program and the overall impact made on the beneficiary community.
- › Please note that the Evaluation panel will give priority to projects conducted by a single Club. (Joint projects will be considered; however, more attention will be to projects done by a single Club)

- › Publicity given via any media.
- › Contribution and the effort made by Leos.

23. Most Innovative Project

- › Need assessment required in the event of a service project as specified in the reporting guide.
- › MyLion reporting is compulsory.
- › Projects featuring a service opportunity that is new to the movement with a need identified towards the community.
- › A project conducted in an innovative way (Differently) on commonly addressed service opportunities by Leo Clubs.
- › Any other innovations/tools made by Leo Clubs for operations.

24. Most Outstanding Continuous Project

- › Need assessment required.
- › MyLion reporting is compulsory.
- › A Project that is happening in the current Leoistic year and rolls out for a period of 6 months consecutively, which focuses on the same concept consistently and the relevant phase of the project/project series should be reported in MyLeo in the same month.
- › Annual projects are not considered in this category.

25. Most Outstanding Service Project by a New Leo

- › Must be a service project chaired by a Leo who is inducted in the current Leoistic year and is registered in MyLCI.
- › Refer to the specifications given in section 22. (Most Outstanding Service Project)
- › Shall be carried out as a joint project as well.
- › Innovation of the project will be an added advantage.
- › The contributions of the New Leo should be clearly mentioned in the project report together with relevant evidence such as photographs and letters.

26. Best Project Organized on Behalf of the Leo District

- › Project Proposal should be submitted to District President at least 2 weeks prior to the project date.
- › Invite District council officers in the capacity of guests or participants
- › District banner to be displayed at the event if possible and provide reasons if it's not possible

27. Best Project Organized on Behalf of the Leo Multiple District

- › Project Proposal should be submitted to Multiple District President at least 2 weeks prior to the project date
- › Invite Multiple District council officers in the capacity of guests or participants.
- › Multiple District banner to be displayed at the event if possible and provide reasons if it's not possible

JOINT PROJECT AWARDS

28. Best Serving Together Project (Joint Project with Lions Club/Sponsoring Lions Club)

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Serving together banner patch or Lions International Confirmation Email/ Letter.
- › The Contribution made by Leos needs to be specifically mentioned in planning, organizing and conducting the project. Contributions made by Leo support, finance or materialistic donations need to be mentioned in the description.
- › A letter from the Lions Club confirming the contribution made by Leo Club.

29. Best Joint Project with Non-Leo/Outside Organization

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Prior to partnering with an outside organization, every Leo Club should get explicit approval according to the respective District Council's approval procedure **14 days prior to the project date.**
- › The specific contribution by the Leo Club is required to be clearly mentioned in the report.
- › A considerable contribution should be there from the Leo Club rather than participation/coordination on the event day.
- › Letter of acknowledgement from the partnered organization is compulsory.

30. Best Joint Inter-District Project

- › Need analysis needed in case of a service project as specified in reporting guidelines.
- › MyLion reporting is compulsory.
- › Joint project between Leo Clubs from different Leo Districts.
- › In all Joint projects the need analysis/descriptions and report should be the same as all the Clubs who partnered in the Joint Project. Leo Clubs can decide to submit a common project report as per reporting guidelines.
- › Contribution from each Leo Club should be stated in the report.
- › A letter or email of proposal, invitation, and acknowledgement from the hosting Leo Club along with the duly filled Form provided by the Leo Multiple should be added. (**The approval should be received prior to 14 days of the project date.**)

31. Best Joint Intra-District Project

- › Need analysis needed in the event of a service project as specified in reporting guidelines.
- › MyLion reporting is compulsory.
- › Joint Project between Leo Clubs from the same Leo District.
- › If the joint project includes Leo Clubs from different Districts, the nomination will not be considered.
- › In all Joint projects the need analysis/descriptions/and report should be the same as all the Clubs who partnered in the Joint Project. Leo Clubs can decide to submit a common project report as per reporting guidelines.
- › Contribution from each Leo Club should be stated in the report.
- › A letter or email of proposal, invitation and acknowledgement from the hosting Leo Club should be added.

32. Joint Projects with Foreign Leo Clubs / Best International Joint Project

- › Need assessment required.
- › MyLion reporting is compulsory.
- › A Project that is done with a foreign Leo Club(s)/Leo District(s)/Leo Multiple District(s).
- › Description of the project conducted locally and internationally needs to be included along with specific contributions made by Leos.
- › A letter or email of acknowledgement from a foreign Leo Club should be added.

33. Most Outstanding Joint Service Project

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Service projects conducted on a joint basis can only be recognized in this category.
- › All general requirements mentioned in section 22 (Most Outstanding Service Project) are valid for this (except for the requirement of being a service project of an individual Club).
- › **A minimum of 2 Leo Clubs** should join the project.
- › Leos are encouraged to showcase the collectiveness between Clubs during the project.
- › Contribution of each Club must be reported clearly in the reports.

LIONS GLOBAL SERVICE CHALLENGE AWARDS

34. Best Project for Diabetes

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Awareness programs for targeted groups (E.g. professionals) on diabetic prevention, food and lifestyle patterns
- › Raising awareness of diabetes through Strides events, expanding access to care through screening and treatment programs, and improving quality of life through diabetes camps and community recreational programs.
- › Establish support groups for individuals living with diabetes to share experiences, offer emotional support, and exchange practical advice.
- › Projects focusing on partnerships with local businesses, healthcare providers, and community organizations to create a network of support for individuals with diabetes.

35. Best Project for the Environment

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects under this category could be focused on the timely topics of climate action, global warming reduction, environmental conservation programs, pollution management, etc.
- › Awareness programs and Prevention programs are both inclusive to the project category and much weight will be given to Prevention programs Leos conducts.
- › Developing initiatives to promote waste reduction, recycling, and composting practices within the community.
- › Much weight will be given to the projects which sustain in the long run.

36. Best Project for Hunger

- › Need assessment required.
- › MyLion reporting is compulsory.
- › Projects focusing on relieving hunger for any age group or community/homeless with a need identified to serve.
- › Encourage gardening of vegetables and fruits to promote self-sufficiency and also make gardens in a way that less fortunate people could benefit from the harvest.
- › Programs on awareness of a healthy lifestyle, especially focusing on the needy in the community. For instance, efforts to tackle malnutrition in society, in children, pregnant mothers and the elderly.
- › Programs targeted on food safety, i.e. - Avoidance of food poisoning, harmful practices on food consumption etc.

37. Best Project for Pediatric Cancer

- › Need assessment required.
- › MyLion reporting is compulsory.

- › Should possess records of outstanding contributions towards the betterment of the Leo movement.

IMPORTANT - General Guidelines to all Projects

- Projects which are conducted phase-wise can only go up to a maximum of 3 phases during the Leoistic year.
- Projects conducted **phase-wise** can be recognized in 2 distinguished methods.
 - The projects were conducted **in different phases in an incremental development/ growth perspective.** (e.g. - Building a house where phase 1- foundation, phase 2- building walls, phase 3- roof & fittings)
 - A project can be conducted only under three phases in a given category. The phases of the project can be conducted **either in three different communities or in 3 different geographical areas or in 3 different aspects which fulfill the requirements of the category.**
- While calculating project service hours, preparation activities such as travel time, meetings, and planning **shall not be included.**
- The Multiple Evaluation Committee only considers the highest impact, the scope, the quality & the sustainability of the project.
- Measuring Service Impact can be determined as per the guidelines provided by the Lions Club International and the global best practices. For more information visit:
<https://www.lionsClubs.org/en/v2/resource/download/106045475%20>
- All projects should be submitted via MyLeo Portal, and no other method will be accepted by the Leo District Evaluations.

“Projects are driven by purpose, not prizes. Awards may follow, but the real reward is the impact we make.”
